PANTRIES

A well organized pantry is a “must have” for the pampered chef, aspiring “foodie” or short-order cook with a growing family. As the kitchen is often the central meeting place in any house, proper organization is essential to prevent overcrowding and mess.

For the ultimate in pantry storage, try the NEW 360 Organizer® Pantry. Available for either corner or wall installation, it is shorter and narrower than the other 360 Organizer® models and fits very well into a small pantry closet or integrated into kitchen cabinetry. Like all 360 Organizers®, the unit spins smoothly and silently through manual rotation.

The wood series is available pre-finished in white, black, cocoa, ivory, moonlight, morning dew, and rain cloud. They are also available unfinished.

Wood doors, drawer faces and mouldings feature the natural beauty of real woods. Part of the beauty comes from the irregularities in color and grain. Thus, variations among component parts are to be expected. Wood finishes are fragile and require the same care as any wood furniture.
